“ When I was in high school I had a part time job working for Jack in his uncles car dealership. Jack was a good mentor who introduced me to many experiences and knowledge that lasted my lifetime . God bless Jack Zellner

“ I worked with Jack at Nationwide. I considered him a good friend. He had a great sense of humor though he tried to hide it sometimes. I would tell him a joke, and then he would stare at me. After I left the room, I'd hear him cracking up. I really liked working in the same office with Jack. I remember the hard times when his daughter, Leslie, who went to school with my daughter, Ericka, passed away. Such a lovely girl gone way too soon! I guess God needed her in heaven. I extend my deepest sympathy to Jack's family and friends. May God comfort, give strength, and love those who Jack left behind.
