“ Jill, we are so sorry to learn that your father has passed away. My husband remembers him fondly as his basketball coach at Garfield - and from that point on, your dad always remembered his name. Well-desrved Hamilton Athletic Hall of Fame member and a life of positive influence on so many young people. I know you all must be so proud of him even as you miss his presence.

“ Mr. Young was, first of all, a great example for all young men to follow. He was a tremendous family man, community leader, and as my basketball coach, a developer of young men. I copied many of Coach Young's basketball concepts in my coaching career. I especially remember the team scouting meetings hosted by Mr. Young, Mrs. Young and Jill. All the Young family helped make my senior year at Garfield memorable. Sincere sympathies, Dave and Ann Raab and family.

“ Our prayers are with Judy and all of Jack's family. My family has been forever impacted by Jack's love and caring. His love of the Lord motivated all that he did and stands as a shining example to all who came across his path. As Jack served at First Baptist Hamilton, he helped shoulder the burden of our Dad (M. Douglass Willey) as the senior pastor. Many times, Dad would call Jack to inform him about an ailing church member to hear either: "Don't worry, I'm on my way" or "I've already visited them". Jack, Judy and their entire family will always hold a very special place in our family's heart!  
"Well done, good and faithful servant."
