“ Jay was great to work with. She taught me how how to have fun on the night shift. She new how to have a good time. She was a great Respiratory Therapist. And will be missed. She was the first Kentucky Colonel I ever meet, which she was very proud of being. She was a bright light. joe & Louise.

“ My Aunt Jalia was one of the most beautiful woman inside and out. Loved when she would visit her big sister Florence (my mom) who loved her dearly. The will be together again under God's watchful eye. ❤️
