“ Very sorry to hear of Jim's passing. I was employed along with Jim and three others to open the Second National Bank (US Bank), Fairfield Office on Patterson Blvd. The five of us worked well together and we were like a second family. We enjoyed many Christmas parties with our spouses playing games, laughing, and of course eating. Jim had a good sense of humor and was a solid worker. He was a proud father and a devoted husband who will be missed by family and friends.

“ *So sorry to read of Jim passing to his Heavenly home. I worked with Jim at Second National Bank. He was a treasure. Loved his sense of humor. The staff always cooked meals together when we were open on Friday nights. Fairfield branch had a full kitchen. Jim always fixed Letty's spaghetti sauce. I still make it & think of Jim & Letty each time I make it. Now my five children have that recipe. My thoughts & prayers are with his family.*

“ *So sorry to hear that Jim is gone. Really loved both he and Letty. We worked together for a few years and right after he left Armco, he called and said he wanted to take me and Lois Shay to lunch. We walked out the front door of General Office and a limo was waiting for us! Out jumped jim in a suit and limo driver hat. We got in and he is driving us to the Manchester Inn and tells us he won the lottery. We thought it was a joke! He had a great sense of humor and was the nicest and Kindest person I ever worked with. Condolences, prayers and love to Letty and the entire family*
