“ *To Kristen and Jennifer,  
So sorry to hear about your Mom. She was a wonderful person and will be missed by many. Her and your Dad where always such kind people. Even though I did not know your Mom that well she was special to us because of your Dad who I miss every day and would do anything to have him back. I can't tell you how much both of your parents meant to me. Always kind to me and were gentle people to the Craft. My kids just thought the world of both of them. I know that each of you will miss them, but they are still very much with us in our thoughts a prayers. God Bless you both. I have no doubt that both are together in Heaven and I pray for comfort in your losses.*

*God Bless you both,
