“*Jan was a beautiful Christian woman of strength. I enjoyed talking to her at church because of her enthusiasm and ready smile. We shared stories and she always managed to make me giggle. May her family know she was precious through and through, a true woman of strength. I will miss her a great deal because she brought joy to my life. God bless you as you grieve for this loss.*
Respectfully,
Lynne Dyer

“*My favorite memory of Jan was when she would come to work in the morning. I worked 3rd shift most of the time and she would stop in our office and wish us a cheerful Good Morning! It was a great way to end the night. I know her big smile and cheerful way will be missed. The family has my sympathy and prayers. I am sorry I couldn't come because of prior commitments.*
