“ Jaye was a great friend and I will miss him tremendously. We became good friends our Sr year in high school and by the time college came around I saw him nearly every day for the next 4 years. I have so many good memories of him... I left Ohio nearly 20 year ago and we managed to stay in touch despite being 2000 miles apart, because he was that type of friend. He was the type of friend that would do anything for you and someone you could always count on. I can still hear his laugh in my head. I'm so sorry for his family and friend's loss.
