“ I met Jenifer and Jeremy a couple of years ago at LifeCenter at a speaker's orientation, but my favorite memory was riding on the float for Reds Opening Day in 2016. Both of us were waiting for our life-saving transplant. I finally received my heart last year, but it's breaki that Jenifer and so many others don't make it to receive their gift. My prayers are with Jeremy and the rest of Jenifer's family and friends.
