“ Jenny you were a huge light of love to me. Our love for music was another thing we shared. She was a true supportive loving friend. Even after life took us separate ways for awhile, it was like we were never apart. You also made sure my son's urn made it to my house safely from Ohio. You are the best friend. I love you and will miss you until we meet again with our boys. Rest in paradise sweet Jenny 💔💔

“ *My beautiful, sweet, sassy aunt Jenny, I will miss you terribly!! I know you are up there in heaven giving them hell, dancing your butt off and riding free! I am so grateful that I was able to spend a few years ago staying at your home with you. I was able to bond with you a little more thru our conversations and sharing memories of our lives with each other. I definitely see where I got my wild child side from and to me, that’s an honor!!! Now I know why they use to call me “Jenny Sue” when I was little!!! I love you beyond measure and will miss you so very much!! Until we meet again my beautiful aunt. RIP*
