“ Mr. Becker and I had a lot of fun. He taught me a lot about welding and did a lot of welding for me. Our trips to Union City to see the Girls at Morning Fresh were a good time and went fast with him as a copilot. The crops were always evaluated. For years we butchered, and with Zeke Bowling's help, made a big job enjoyable and taught a lot of youngsters the art of cutting meat. I was blessed to have Johnny as a really good friend. Many great memories. I'll miss him.
