“ I grew up under John's preaching as a kid of about 8 through my mid teens. I'll always remember him as a very strong man of God. Thank you John for your consistency and being the "real deal" in walking the walk with your service to the Lord. When it came time for my wife and I to find a new church where we live now I said to her that I wanted to find a church with a Pastor like the one I grew up with (John). That was a tall order as there are few Pastors left like John Hodges today! Thanks John, you certainly impacted my life like few men ever have by reflecting God's glory off your own life. Looking forward to seeing you again! God bless you and prayers to your family.

“ Had many good times with Johnny many years ago. Preached a revival or two for him while he was pastor of Zion United Baptist Church. Played a few rounds of golf with him. He was a true friend. I haven't seen him in several years, but looking forward to enjoying Heaven with him some day. God bless you family.

“ I am greatly saddened to hear of John's passing. John was a wonderful man and truly lived his faith. I met him while I was working with his daughter, Donna, and was immediately struck by his compassion and concern for others. He routinely set a great example for how to treat people. I always enjoyed our times on the golf course - he was a really good golfer! Our earthly world has lost a great man, but I am sure he is now reveling in Heaven with his beloved Alladean, Donna and Rob! Well done, John - you made God most proud!

“ Our prayers and condolences to the family in the passing of a wonderful man of God. Sue and I were blessed to have been part of getting to know the Hodges family through our friendship with Debbie and Tim. We still hold dear to the memories we shared together, and we know that you have an abundance of precious memories of your Dad that will carry you through this life with joy, peace, and thankfulness. God's blessings upon you all.

“ Sending love and prayers. John was the sweetest man. He used to go around to the different rest homes in Butler Co. With my husband Doug Krause and sing to the residents . Doug enjoyed his company so much.

“ His ministry touched an incredible number of lives including mine. Johnny was always gracious, loving, and supportive. He stood firmly on the Word. I was privileged to have announced my call into the ministry under his Pastorship... largely due to the impact that he had on my life. May I never forget his advice. He said stay squarely within the confines of the Holy Scripture. He also told me that he could not tell me how to be a successful minister but he surely knew how I could become a failure.... which was the moment that I started to attempt to please people. He reminded me that the true Gospel message was one that was at odds with the World/people. So stick to the Bible and just know that troubles will come. He expressed that the ministry had brought him to the lowest points he had ever known - BUT it also had brought him the most JOY. He concluded that given the opportunity... there would be no doubt... that he would simply follow God!! Rest In Peace my First Pastor. Give my best to Alladean, Rob, and Donna.
