“ We would like to express our heartfelt sympathy to the Santos family and friends for the loss of a special member of our family. John will be missed by us all. May we remember his life as a gift from God and that one day we will be reunited as he now reunites with family in the presence of our savior. Till we meet again! Love Cristina Reyes and Jim Sakowski.

“ I met John when I was a teenager playing pool at Michael's pool hall. He was a very talented pool player, but most of all a great friend. I stopped going in the pool hall as much over the years and didn't see John as much. However probably a year ago, I was able to speak with him again at Michael's as he then proceeded to crush me in a few games of pool. I am glad we were able to shoot together one last time. He always was trying to teach me how to become a better player as a teenager. He was extremely passionate about the game. He will be missed dearly. I just want to also give my deepest condolences to his family. Prayers for you all.
