“ *Steve and family, Travis and family.....
Jim and I are sad to hear of John's passing. He was a sincerely kind person and will be missed. I ran into him several times over the past two years while in town visiting my mother. John always offered to check in on Betty or to assist her if she needed to go somewhere.....we were not surprised, his thoughtfulness was what we remembered most about him.*

*With deepest condolences,

“ *Travis - Scott and I are so sorry for your loss. John was a wonderful neighbor and we'll miss seeing him working in his yard, which he always loved to do, and just talking over the backyard fence on the issues of the day. He loved cooking, grilling and loved his wonderful dog. Our heartfelt condolences to you, Steve, and your families. May he rest in peace.*

“ Our sympathy to Johns family and friends. He was a great guy and a wonderful friend to my mother, Oletta Bauer, Rhonda and Doug Stone and myself. He will be sadly missed. I will always remember him yelling at the games on the TV at the pub. He had a great love of cooking and grilling.

“ So
I have tried reaching John off and on over past few years. I'm so sorry I did not get a chance to talk to him. He was one of my favorites in school. We went to school together - Taft High School. He took me to our Jr. Prom. Fond memories of the Holloway family . Prayers to all of you .
