“ *Judy will be sorely missed. She was a good person and a entertaining person, always had us laughing, and in stitches with her hilarious life stories, and once she had ya laughing she would keep going and we would go home with our faces hurting from smiling and laughing so much. I know her children and grandchildren will miss her so much, and I know they are hurting right now, but know this, you all will be reunited with her one day. In heaven there will be no broken hearts, no pain, no sickness, no worries. I pray that God gives you comfort during this sad time.*

“ Judy was my sister in law for 33yrs. She was an amazing mother, dgtr, sister, aunt, & friend. Judy was a blast to be around and could always count on getting you laughing. From the very 1st time I ever met her she welcomed me with open arms and treated me like family before I was family. My dgtrs loved their aunt JU-JU so much. She gave them both a lot of wonderful and fun memories. She will be truly missed by all of us. But, she will never ever be forgotten. We love you.
