“ Nurse Karen Schumm, we recognize you and pay homage to your dedication to the profession of nursing. Your life as a nurse is not remembered by your years as a nurse, but rather by the difference you made by stepping into people’s lives...by special moments. “ *Memories of my aunt Karen . I can't count the times of all good memories. The trips we took  
The many weekends we spent at her and uncle Al house shopping  
baking in the kitchen go look at Christmas lights and many other things.*

*I always admired her generosity towards people and donating her time to church and people less fortunate. Many prayers for the family*
