“ My depth sympathy to her brother Ed Frey who Laura told me was a great brother and her son Scott and family who she loved and was very proud of. Laura was a life long friend that I grew up with on North F St. in Hamilton I have wonderful memories of those years that I will never forget. We went all the way through high school together. I moved away from Hamilton but when I visited family in Hamilton I tried to always get together with her to catch up and reminisce. She was a great friend who I will miss.
