“ Teresa and Jason, please accept my sincere sympathy for the loss of your mother. We worked together many years at Ohio Casualty, both in keypunch and Mail services. I can't begin to tell you the many great times we had teasing and raising the devil with each other. One quality I will never forget was if I had a special project to get done, she was my "go to" person. Tell her what you wanted, then get out of the way and soon she would come and tell you it was completed. I had seen her a number of times at the OC get togethers and am thankful for that. She is definitely one I won't soon forget.
