“ Love her and will miss her dearly. We were very close and I loved visiting her while living on Fairy Drive. We used to watch finches outside her window at the bird feeder and talked for hours. I'll never forget when she made me try sauerkraut and I still hated it haha. Any gifts she ever gave me, I treasure. One in particular is an Angel and stays on display in my home. I'm glad we were able to be a part of each other's life.

“ My heart hurts. My condolences for all our family and for everyone who loved (Aunt) Lorraine. From the first day I met her when my mom married into the best family ever, she welcomed me. She always sat by me at family functions. She made sure I felt welcome. Through the years, we formed a great relationship that was mostly present at family functions. In the later years, we got closer. We talked about Seattle and the PNW where I have been since 1997 and she once lived. We talked a lot about dogs. She loved dogs. We talked about birds. Also something we had in common. She was such a great influence on me in so many ways. She will always be in my heart.

“ I worked with Lorraine many years ago at Home Federal. She was always a professional and caring person.. She was always nice and watched over the younger employees. Although I haven't seen her in years I have never forgotten her. God Bless you Lorraine and rest in peace.
