“ *Grandma Ollis, I am so grateful to have had you in my life. You had a beautiful soul and you loved me so dearly. I will never forget leaving your house and you waving at me as the car drove away. You are our guardian angel. I love you today, tomorrow, and forever. I will miss you today, tomorrow, and forever.*

Miss Mamie you will be missed by many, loved by even more, and never forgotten. You were always very sweet to me when I came to your house and that's the way I wish to remember you. Much love to your family who are hurting at this time. 💙

“ Grandma Ollis was the sweetest and kindest women. I Always felt included and accepted. I remember running around her yard and playing on the hill or just visiting sitting on the back porch. I also remember her cuckoo clocks. Great memories and she was always so happy to see us and had a beautiful smile.

“ It’s very hard when your mama passes away. Keep your faith in the Lord, He will comfort your hearts. You all are in our thoughts and prayers. Masona, Robbin and I want you to know we loved your mama and that she brought so much joy to our lives. She was special and had a heart filled with love. We’re going to miss talking with her and listening as she shared so many memories of when she lived in North Carolina and all the fun times she and mama had growing up together. They always kept in touch through letters and phone calls. Even as mama’s memory was fading she never forgot her cousin and close friend. We will never forget your mama either.

What can I say that expresses my feelings and love for such a great great and loving lady. She is my mom's sister and mama loves her so much. She and her family are the aunt and cousins I remember the most. Growing up in North Carolina and spending so many hours and days playing with Ken, Lana, John, Donna and Tom are some of my greatest memories. Aunt Mamie would come visit my mom, Doris Winters, and we had such fun talking about shared memories and people we all knew. It was so great to see these two sisters remembering together, laughing and giggling over times long past but shared. My children had the wonderful gift of getting to know Aunt Mamie and Uncle Kenny and they loved them. My son, Beneau, who has Downs Syndrome loved her and knew she loved him. For many years she never forgot his birthday and Christmas. She sent him a beautiful card and gift. His eyes always lit up when he got the card in the mail because he knew his Aunt Mamie had remembered. I will miss you Aunt Mamie until we are once again together but I am happy for you and all of your and my loved ones who have been waiting and watching for you to join them. Now you are together again. God bless you and your family until we are together again. Love you eternally. Your loving niece. Zondra

“ Aunt Mamie was my last beautiful Aunt on the Bowman Side. She was so much like her sister Doris, my mother. I loved it when they would get together. They laughed and giggled like school girls. I love and miss that wonderful sound. She was as beautiful inside as she was outside. When we were kids, I looked so much forward to Uncle Kenny and Aunt Mamie coming to visit. I loved them so much and all of my wonderful cousins. Aunt Mamie, I love you Aunt Mamie and I will see you one day again.
Love Debbie Winters Russell

I would like to send special love and prayers to the family that my Aunt Mamie loved so dearly! I know all too well how much a mother and grandmother is missed upon their passing! It will take time to get used to the idea that she is actually moved on, into the next happy phase in her existence! She is enjoying a reunion with members of her family, who have been waiting for her. May the Spirit, and comfort, from our dear Savior, Jesus Christ, bring feelings of sweet memories & love fill your ♥♥ hearts as you get the the coming days , without your “Beloved Mother”

Aunt Mamie, this niece, loves you and is going to miss you SO MUCH!! I am so very grateful for the marvelous plan of happiness, as given to all of us, from our loving Heavenly Father in which I know that death is not an ending for us...but instead a new beginning, free of ALL pain and sickness, where in we will only be separated for a small moment, then when it's our turn to cross over and enter through death's doors, we will be with our loved ones forevermore!

You ALL WILL BE IN MY THOUGHTS & PRAYERS 🙏🙏🙏🙏

“ Aunt Mamie was my great aunt. Even though I haven't been able to see her in quite a long time, my mom, Zondra Gebhard, would keep me updated as to her health and well-being. I have such fond memories of her and Uncle Kenny coming down to visit my Mawmaw Dot (Mamie's sister) when I was younger. I lived in the same neighborhood as my grandmother and would see everyone who would go by to go down to visit her. I remember I always knew when Aunt Mamie and Uncle Kenny would come visit because their big RV would come rolling by. It was *THE COOLEST* thing ever to me as a kid! We didn't see stuff like that much around then. Uncle Kenny always let us go and check out the RV and would give us candy. Aunt Mamie would always give the *BEST* hugs!!! I have kept up with her and Uncle Kenny over the years and was so sad to hear of her sweet husband passing back several years ago. Then today my mom called me to tell me of her passing. She was *AMAZING* and so was Kenny! I only wish we were closer to have been able to spend more time with everyone fr that side of our family. Love and hugs from your other cousin, Christina Gebhard Garris
