“ So sorry to hear of the loss of a wonderful person. Always a smile on the friendly face of Marcia and good conversation as I would see her very often walking all around Trenton. Went to THS with her as did my three brothers. She will be missed by everyone that ever crossed her path. God Bless The Family and Friends...

“ I will miss my cousin and sweet friend, Marcia. We always had fun and great laughs together! We loved it when she came to Rhode Island with my daughter, Meredith and my mother, who she always called “Aunt Helen”. Marcia was always so kind and loving to every one. She was one of the best! Bill and Jeff, you and your families have our deepest sympathies. Your Mom will always be in our hearts and prayers and I will miss her forever. Rest In Peace my sweet cousin.

“ We are so very sorry to hear of your Mothers passing. She was truly a great lady. There isn't an Albright she didn't have at one time or another during her career. And she was always so kind, compassionate and caring. I don't know if that's due to the amount of years she worked or the fact that we've just been sickly. Heaven knows, she was the best and another beautiful angel just received her wings. All of our love and most heartfelt condolences, Charles and Renae.

“ Many loving thoughts and prayers to the Halsey families. Marcia was a beautiful and humble child of GOD. We prayed and laughed together at the Lutheran Church for years. Marcia was a giant supporter of the Agape free store in its early years and just an awesome all around christian. A very bright light on this earth is now shining in the heavens. Sympathies to all who was lucky enough to have known her...and to her family...Blessed are those who mourn, for they shall be comforted.

“ *My dear Marcia Shannon, A lifetime friend and former neighbor. We had many times together back in the neighborhood and at the Trenton High School reunions. You always had a smile on your face whenever I seen you.*

To Buddy and Mike and her family you have my love and prayers. We had a great neighborhood to grow up in: starting with The Grahms ,The Allens, The Shannons, Bob & Gertrude Cochrans, The Days (My family), The Bushes, The Winklers, and the Gaymanns, and across the street, The Brelsforads.
