“ My sympathies to Mark's family. Good times growing up together and playing basketball in the driveway on Glenbrook and football at the Victory Apartments with the Conlin's, Wiggins and other neighbors and school friends. Mark and I went to school starting at Fillmore Elementary, Wilson Jr. High and graduating together from Taft High School in 1975. Great parents and sister! My thoughts and prayers are with all of you in this difficult time. RIP Mark ... Joe Belew

“ Coy and I will always be grateful to Mark for helping us get this huge, heavy outside table we found at Hayneedle to our new home in Fairfield Township. It made our outside area look so beautiful and we will think of him whenever we see it. His wife made him help us transport it with his truck and carry it all the way around to the back. My husband and I always felt bad about it because Mark's back had been bothering him at the time. What a super nice guy. He will be missed by so many I'm sure. RIP sweet man.
