“ Miss Jean was one of the most influential residents i’ve ever taken care of, her smile lights up any room she walks in to. She was one of the most pleasant people i have ever met and her ability to care was so powerful. I hope to forever carry those memories and carry a little piece of that light with me

“ Jeanne was a special lady. I had the privilege of becoming friends with her through the Sharonville Recreation Center. She was a huge part of being there multiple times on a weekly basis for many many years. Her smile would light up a room. She was always so happy go lucky and would always be up for anything. She just had a way of making you want to be around her. I will cherish her memories dearly.

Such a beautiful soul.... I loved her laugh and will never forget it. I had the privilege of being her nurse and friend at Woodlands of Hamilton.

“ Jeannie was a special friend and we shared many days playing cards and then having lunch at the bakery on Cornell where her standard order would be a cup of soup and a half of a turkey sandwich.
