“ *Marti took me under her wing when we first met almost 16 years ago at Advanced Control Products. We had so many laughs together. I loved her laugh as it was so contagious. We would take our breaks together and talk and laugh. She was a very loving, caring and giving person. This world needs more people like her in it. My heart goes out to her family.*

“ *Marti H,
I have a lot of great memories that I hold dear but my favorite all time was the year we went to the St Patrick's Day Parade here in St Louis. We definitely had a blast. The numerous days we cracked each other up at work and the work parties. Love you always my Friend. Rest In Peace and know many people like myself love and will never forget you!!
