“ I met Marty just a couple years ago.  
His personality would grow on you...  
We became Really good friends.  
We would kid and say we are brothers from different mothers.  
I am lucky to be able to call Martin Todd a true friend of mine.  
I have some good memories to look back on to help heal the  
sadness I feel in my heart right ...  
Honestly though, I would have enjoyed making more memories with  
him and his family.  
Kristy and I will always be here to support your family in whatever  
you need.  
God bless .
