“ *The Samoviski family was the closest to my family [as the "crow flies"] during my childhood years. My brothers and I literally 'burned a path' thru woods and pastures to visit continuously. Whenever we were there we always felt welcome; it was a 'second home' to us. I was closest to Dan [whom I named my oldest child after] as he was closest in age to us. During our MANY visits Mary was always there. She was sweet to us...had a good sense of humor...and made those visits all the more memorable. On behalf of myself and my [ex-wife] Deni, we share your loss.*

“ *Our deepest sympathy to your family. I didn't know her very long, but she never failed to brighten my day. Her ready smile and outgoing nature made her a joy and blessing to know. Her loss leaves holes in many hearts.*
