“My deepest and most heartfelt condolences to all of the Rotte family on the loss of Mary. "Sweetness" and "kindness" comes to mind foremost when describing her. Her first priorities were always her children and grandchildren. For many years she daily cared for her grandchildren who lived near her in Hamilton. Whenever I saw her either in Maryland or in Ohio she always made me feel very welcome and practically a member of the family. I remember the first time I met her at Dianne and Charlie's wedding. It was also the first time I saw her do the "chicken dance," which she would repeat at all subsequent family weddings. Her family and, I believe, her faith was what guided her, was most important to her, and what got her over the rough spots. She had a long life and overcame many obstacles. May she rest in peace, and may the warm and wonderful memories of her console all her family and friends. She will be missed.
