

Michaela Sullivan Grevey

November 12, 1933 - December 1, 2020

Michaela Sullivan Grevey, age 87, of Hamilton, Ohio passed away peacefully on December 1, 2020. Michaela was married for 32 years to Norman G. Grevey. Michaela was a loving mother of Jill (Tim), Kevin (Sandy), Bryan (Alene), Scott (Karen), Sarah (Sam), Norm (Angie); proud grandmother to 16 grandchildren: Ryan (Kelly), Reagan (Ann), Ross, Amanda (Rob), Andrew, Kevin, Erin, Kara, BJ, Kristen (Kyle), Morgan (Andrew), Stephanie, Sammy, Connor, Catie and Chase. Michaela was a devoted great grandmother to Tim, Andy, Knoah and Ronan. She is survived by many loving friends and relatives including her sister Marcia Reist (Tom now deceased), step-sister, Dawn Sullivan (son Travis), step-brother, Barry (Debbie) Sullivan, and nephews, Mark (Diane), Mike (Kim), and Marty (Annie). She will be missed by her loving friend and former co-worker, Lynn Kinkaid. Michaela was born in Hamilton, Ohio on November 12, 1933 to Charles and Ann (Erhart) Sullivan. She treasured her family above all else. She was a devoted mother, grandmother, great grandmother, sister, aunt, and friend. Nothing brought her more joy than being with her family especially attending their sporting events and activities. Her love of sports came from outings with her dad who took her at an early age to Notre Dame football games. Her enthusiasm for sports was passed on to all her children and she continued to be an avid sports fan. She tried to never miss one of their games. She was a frequent fan at UK games watching Kevin, University of South Carolina cheering for Bryan, at Pitt supporting Scott, at University of Dayton rooting on Norm and at University of South Carolina watching Sarah cheer. She was thrilled when she could be in the stands for Kevin's games with Milwaukee Bucks and Washington Bullets. She tried to attend as many of her grandchildren's games and activities as she could. They loved having Grandma there cheering for them! Michaela's faith was an important aspect of her life. She attended Hamilton High where she was a cheerleader. While raising her family she managed to be a part of so many community activities and charities. Some of those include: PTO President, President of Civelles, President of Butler County Women's Association, member of League of Voters, Election Judge and a member of the Taft and Hamilton High Booster Clubs. In addition to her family and commitment to community, she also found time to play tennis and bridge. Michaela's tireless energy led her to a job at Lazarus Department Store. She applied her work ethic and her always "do your best

attitude to the job” and was awarded top sale person in the entire company. While working there, she attended night school at D. Russell Lee to pursue a career in computers. Always seeking more opportunity, she took a job at Ohio Casualty and then went on to the Butler County Auditor’s Office. That was where she truly shined. She had her most rewarding experience while working there until her retirement. Michaelaele was known for her style, her unwavering loyalty and her kindness to others. She was blessed with a wide circle of friends who knew her as the life of the party. Everyone knew Michaelaele liked a “good pour”. Other than her love of sports, she loved to travel whether it be to see her children in their respective homes or family trips to Hilton Head. Each gave her the opportunity to spend time with her grandchildren and children, and make special memories. The joy that Michaelaele brought to her family and friends was immeasurable. She will be deeply missed and forever in our hearts. A special thank you to Dr. Winters, Dr. Karnik and Dr. Onadeko as well as the entire staff at Berkeley Care. A private Mass of Christian Burial will be held at St. Peter in Chains Catholic Church. Private entombment will be at Greenwood Cemetery. In lieu of flowers, memorials may be directed to Community First Solutions, Employee Celebration Fund, 230 Ludlow Street, Hamilton, Ohio 45011. “ *I have known Michaela Grevey since I was a child living on Haldimand Ave. in Hamilton. Our neighbor, Mrs. Gladys Lauer took care of the Grevey Children during the day and I would see her when she would drop them off or pick them up. Even though I was just a kid, she always greeted me with a smile and a wave. When I grew up she always had a smile and words that made me feel good. Michaela was a grand lady, one who always asked how are you doing, how's your mom and family. She was one of those people who spread joy and goodness wherever she was. She raised an incredible family and each of her children has her same sense of caring and friendliness. I pray God will give comfort and peace to her family during this time of loss. The world has lost a good soul.*

Jill, Kevin, Bryan, Scott, Sarah & Norm,

Your Mom was so special to me. She always took a genuine interest in the what I was doing and how our family was doing and I always felt such a special bond with her throughout my life. I am sure I am not alone, that was just one of her amazing qualities that she was happy to share with many others. Because of her special friendship with my Mom, you may remember that she was my godmother and my confirmation sponsor as I know my parents were for Norm. She always kept the memory of my mother alive for me in her words and her stories which gave me great comfort and would always end by saying how much she missed her beautiful friend Patty. I know I am just one of many that she influenced in such a positive way throughout her very special life. But, clearly it was her pride in all of your collective accomplishments and success that brought her the most joy and it was always evident as she spoke of each one of you over the years. May God continue to bless each of you...all of Susan and my thoughts and prayers are with each of you as we mourn the loss of your beautiful Mother. She will truly be missed dearly by so many who she has touched throughout her life.

“ *To each of Michaele's kids:*

Now Norm, don't grimace, as I call Bret my kid too.

I only have the happiest memories of your turbo charged mother. From our times sitting together on the bleachers for the basketball games to our tennis parties that lasted long after she was playing. She was a major addition to the party and would never miss it.

She only had compliments to give and she convinced you that you were one of her dearest friends. She was Mrs. Butler County to all republicans and County workers.

Even though we were refused entry to continue our visits with her, she will live large in our hearts and minds always. Love to you all, Jackie
