“ Dear Sis. Becky, Brantley & Aubrey,  
We have such good memories of Bro. Nick. We'll never know the answers to so many of our questions, but Rom. 8:28 is just as true in the hardest of times as in the best of times. Cherish & hold dear those precious memories.

“ Nick had an amazing sense of humor and could always make you laugh. I have great memories from doing music with him for a wedding to sitting with his family many times at Mt Tabor Camp meeting. Heaven gained a great saint. Our hearts are grieved for Becky, Karla, Jessica and the entire Tri City congregation at this time. Sending much love and prayers your way. Kelly Jackson

“ *Because of the incredible Church of God, I was able to meet so many great people that I remain friends with today. Nick Parker was just like his dad; very friendly and hospitable and made you laugh over anything they said or did! They were a joy to be around. I will miss having another peer that was determined to serve God no matter the circumstances. His testimony will live on.*

“ Nick And Becky have played a huge role in my life for the past 12 years or so. I have been so blessed to have them as friends and I wouldn't be where I am today without their support. Nick was one of the most funniest, kindest, guys I've ever known. I have so many memories of him from camp meetings, going on double dates with them, and just hanging out together with our spouses and all our children. Nick and Becky opened up their home to me and toted me around while I was dating my wife. The day I flew into Ohio to propose to my wife, Nick was there at the airport to pick me up. I remember him being almost as excited as I was. He even helped make my wedding day extra special by being one of my groomsmen. He did so much for me. We had the absolute best times together. I will miss my visits to Ohio being filled with Nicks laughter and jokes. My heart aches knowing I won't see you my next trip to Ohio, or not being able to hear you sing a song in church again. Your singing and playing guitar in heaven now. I love you Nick! Thank you for being a good friend. Friends like you are hard to come by. I will forever miss you. Can't wait to meet again one day.

To Becky: I know that you know you had an amazing husband. I appreciate your strength so much. My wife and I have had many conversations admiring how strong you have been through all of this. I want you to know that we love you so much and you have encouraged us to keep pressing the battle on. We are here backing you up and your two beautiful children. Brantley and Aubrey, Moss and Nicki love you. Like you said a few nights ago Brantley , you had the best daddy and he's in heaven and he's still the best dad.

“ Nick,  
You will be missed so greatly but so thankful you made it where we all are striving for. You have been a great friend, a brother and you left such a great light where ever you were. So many memories growing up together.. summer vacations to Williamsburg, camping, boating. So much for us to think on and smile about. Heaven gained such a great soul. Until we meet again.

Bec,  
Words can't express how we feel. I'm so sorry. So thankful for you and your strength thru this time. Your truly a light. We are here for you and the babies. Praying and believing God is gonna carry you through thru this time.

Your Friend,  
With love 💕

“ Nick it was a true honor to know you!! I’ll never forget the times we traveled together and many camping trips we went on. The one trip I’ll never forget is traveling to Alabama together and you became a “trucker” that I never could convince to come to camp meeting. Your were a great saint that will truly be missed, you were a great example to my son on how to be a Church of God man. We will rally behind Becky and will help in any way we can. Those babies will be loved by all!! Until we meet again tell all our friends and loved ones we love you all and can’t wait to be together.

“ Nick: I will miss you more than words can say. You were not just a friend but a brother. We have shared a lot of good times together. I will miss our long conversations while we were both on the road. So many memories we share from church, playing golf, ATV riding, working together at UPS, to marrying sisters and becoming family, vacations and rainy camping trips. You were a great friend. Know this that I loved you and will miss you.

*But I look forward to seeing you again!*

*Becky: No words can say what we truly feel... But we are sorry for your loss. We love you and are praying for you and the kids! You had a wonderful husband that loved you and your children! Always treasure those memories. God will be there and will help you.*
