“ I worked with Nina at the Hamilton Journal and we were a part of a group called the Lunch Bunch. It was a group of six women (Brenda, Mary, Linda, Jeanne, Trish and Nina) who shared stories and laughter over lunch. We saw each other through good times and bad. I was blessed to work with Nina and I have memories of her to last a lifetime but I will miss her hearty laughter. My sincerest condolences to the family and may memories of her lighten your heart.

Sincerely,  
Trish Landsparger
