“ I had not seen Nina in many years but we were once roommates and spent a lot of time with each other. She always made the best with what she had, and was such a beautiful person. I know that she will be very missed and thought of all the time.

“ She was beautiful inside and out. I had the joy of spending a few months with her. She always put me in a good mood when I was down. I will always remember the times I shared with her. She will be forever in my heart. To the family.. I'm sorry for your loss.

“ *Nina had a contagious smile that could light up a room. I am thankful that I got to spend a day with her last week while she worked on my kitchen. She started a drywall job for me & did an amazing job. She was a hard worker and such a good person.*

My family has loved her for years but she was particularly close to my uncle Wayne. They would sit every morning and have coffee & donuts together. He really enjoyed her company.

The world has lost such a good soul & we will miss her dearly. Praying for her family.

*Love,
Marquetta Shannon & family*
