“ I will miss my friend Norma. Even though we were nurse and resident we shared so much. She taught me a lot of things. We had some great conversations and laughs.(She loved watching Christley Knows Best together) I will miss that time. When I became sick and could no longer work she would get in touch, make me laugh and feel better. (Even as sick as she became) She was a special lady that will be missed. I know she's up there smiling having a good time and smiling down at us. I love you Norma.
