Emily, I'm so very sorry for your loss ❤️🙌
I wish I knew Pam better. I honestly have only good memories of her. A favorite one is a night with her and Cathy having fun, listening to some tunes and playing quarters 🎲🎲 it was a good night. And all the times I would see her over the years, mostly at Christmas. She was always fun and easy to talk to.
I apologize for my late condolences.
My wife Angie meant no harm whatsoever. She didn't mean to come across as disrespectful whatsoever ever. Feel free to reach out anytime.

“Uncle” Brian 😊☐🙌

“ I love you pammy! Tahlia an me will sing your song you always wanted me to play, “you complete me” by keyshia cole! I'll always remember you singing karaoke in my hair brush to Rod Stewart and how I would always put filters on your face and make you crack up laughing! I'll never forget you trying to speak horrible Spanish at our 50 temp jobs and you calling my cat Ling Long! We love you pammy! Rest peaceful ❤️ Until we go bowling Again my Friend!
