“ I knew Phil from high school and found him to be a very kind and caring and extremely intelligent person. His engineering pursuits in his retirement years were complex, challenging, and made for fascinating stories. He will be greatly missed by so many members of Hamilton Taft High School Class of '64.

After our mother died in 1995 her surviving children Ann, Philip & Stephen set up a fund in her name with the Lane Public Library. The fund is to be used to purchase children's books. The Hamilton Community Foundation administers the fund. For those who wish to contribute a gift in Phil's name as a memorial is appropriate and would be appreciated. Their address can be found at hamiltfoundation.org
