“ *Delilah, we are so sorry for your loss and your pain. I am glad that Potter is in Heaven with your mom and Jesus and so many others to welcome him home. He was a great father to you, and I remember how he adored you and your mom. I remember his smile and laughter, teasing us, and taking us for drives in his convertible. Praying for God's peace and comfort for you and your family. I so wish that I could be there today to give you a huge hug. Love you so much, my dear friend.*
