“ *Aunt Prudy had joined the Fike family by marriage but even though her and Uncle Carol got divorced, she was always part of the Fike Family, and remained that way until she recently joined all those Fike partiers that have gone before us. She was still getting invited to family parties and events, and always thought as “our Aunt Prudy”. That says a lot about a person, and she will always be remembered and loved by the family that she left behind.*

“ Prudy was the best neighbor I ever had. She was an adopted Grandma to my three kids since my parents are located out of state. My son will miss her brownies that she brought over often. My daughters will miss their long talks. I will miss our conversations about our favorite city Hamilton. Prudy was "Mrs. Highland Park" She will be sorely missed but never forgotten.

“ Dear family: Prudy has been a dear friend from the neighborhood and throughout life's journey. Time and distance did not dim friendship for we always could always just pick up where we left off. We both will miss her and feel a void in our lives and send sincere condolences to to her family and friends. Ann and Ralph

“ Prudy was a dear friend for almost 70 years. She was one of a kind. Passionate about her family, friends and interests. We experienced many fun, crazy times from junior high, high school, marriage and kids. Her journey was special. My sincerest, heartfelt sympathy to all who loved and cherished Prudy.
