“ Lucille and Randy, I am so sorry to hear about Raleigh. He was such a good worker and good neighbor. Mom and Dad really loved both of you so much. I wish we could be there with you but the weather is supposed to be too bad for us to come from Kentucky. Just know that we will be thinking of you all and praying for you during this difficult time. It is hard to give them up but we have to believe that he is in a better place with the Lord. I know you will miss him so bad. But Randy, please take care of your Mom. She is such a wonderful person. She is like a sister to my Mom and they loved each other so much. Take care and I will be sending prayers your way. Love you guys! Wanda
