“ My heart goes out to the Swinney family for the loss of Randy. I cannot express in words what you must be going through. I am hopefully the life , time and memories that your family has created can help ease the pain. I know for us and those who worked with Randy it does. Thank you Swinney family for sharing Randy with us.

“ I have many fond memories of Randy, but the most memorable moments I have centered around our interactions when I would stop out to share new quality requirements for the C2 filler operator. I knew he would have me laughing by the time I left the room, normally in tears. I'm happy to have been able to experience those and many other moments with Randy.
