“ We just wanted to extend our deepest sympathy to Dicks wife and his entire family. He was our sons little league coach back in the day. Dick was a soft-spoken gentleman and very knowledgeable as a coach. A great guy that will truly be missed.

“ To Beverly and the Krumm families I am saddened to hear of Dick's passing. I spent many years working with him in the Greater Hamilton Safety Council and he was always such an easy going gentleman. In the later years I would run into him shopping and he was always active in something. We will truly miss him. Blessings to all of you going forward.
