“ I started working at Steelcraft in 1998, fresh out of the Navy and Rocky was my first manager in a non-military role after graduating from college. Couldn't have had a better mentor learning how things are done in the real world. I have nothing but fond memories (and some very long days and weeks) working with Rocky over 10 years. He will be missed and please accept my condolences.

“ I retired from Steelcraft on July 8th 2022.I started there a few after Rocky did. I smiled thinking of some of the times we had. He was not only my boss for awhile but we played on Softball tournaments on teams together. Some of them were out inthe country, so me and him would carpool together. Both of us being big BENGALS fans made those trips great 👍 plus our teams won a lot 😊🤝😭😭. Naturally him being my boss we would clash every once In awhile but eventually he'd come back, flash that smile & talk his way out me staying mad. Sometimes he'd meet up with some of us on Weekends at the night clubs and hang with us.You were more than a boss, n fact you never came off as a boss....but a very good dude 👍 and generous friend. Thanks Rocky for the privilege of your company. Rest in Peace 🙏 good buddy!!
