“ I always enjoyed listening to Brother Tincher when he had a radio ministry while he pastored at Little Paint, in East Point, Ky. The Lord used him to help me gain knowledge and understanding of the Bible and to grow as a young Christian wife and mother. I would tape his messages and play them again and again. Years later I was conducting a funeral service and Brother Tincher attended. I am sure he was surprised to learn I was now pastoring a congregation. My Love and Prayers always, Kathy Cantrell, Pastor of the Lick Creek FCOG Lick Creek, Ky.

“ It is with sorrow of heart that I learned of Roy's passing. When he was a pastor in Kentucky, we spent many hours together in ministry and he was always so encouraging and uplifting. He had a ministry that mattered, a love for the Lord that was real and a love for people and for his family. One of the things that I will remember most was his smile and laugh that always went together; A person always felt good when they were around Roy. My thoughts and prayers and those of the Owingsville First Church of God will be uplifting the Tincher Family through this time and all of those who are diminished by Roy's passing. Roy is absent from the body and present with the Lord and by the grace of God we will meet again some glorious day. But until then, it is comforting to know that Roy's life and ministry goes on through his children.

“ Prayers for the family. I grew up across the street from Brother Tincher and Betty. Both of them were great people. I used to cut up a lot with him and even wrestled with him a time or two when I was little! Condolences to the family from Jason, David, Freddia, and Sammy Wallen.
