“ Aunt Ruby this is a wish that I would have had a chance to have made memories with you and your children, (my first cousins). But you see. I just found Raymond and his legitimate family last year. I am Debra Sue Vaughn-Bean. I was born in 1960. But, at least Raymond knows now that I exist. I found him through your and Uncle Virgil's obituaries. Sad as it may seem I believe it will be a joy to meet you and Virgil in the hereafter.
