This is a wonderful video and I enjoyed seeing the pictures throughout much of Ruth's life. I had a lot of respect for her because she had such a warm personality and was such a sweet lady. Sweet Ruth, your battle is over and you are in a much better place, but you will missed by so many who love you. Amy & Mike Ogletree, Florence, AL

“ I will never forget Ruth as a dear friend and second mother (although a young one) when I was attending Miami University and the Griffiths became my family while my parents were out in California...We had such fun talking over breakfast at the airport that I missed my flight home... I will truly miss her...and have...and feel so fortunate to have had her in my life. Love to you, Gene and Sandy...Judy Snider
