“ Sandy was a wonderful friend for many years. When I began teaching at Duvall, she was there to answer any questions I had, making me feel very comfortable learning my way around, offering advice when needed, and so very helpful making my beginning experience a positive one. I'm so glad we kept in touch over later years. God bless Sandy.

“ I taught school with Sandra for many years. She was always a good friend, loved teaching, loved her family, her church and God and friends. She will surely be missed and my best regards go to her children, grandchildren and other family members. I did not know Sandra was this ill so apologize for not getting with the family before.
