“ Ben I'm so sorry to hear about the loss of your mom. I'm sure she was very special to you. I have watched you since you started going to North Fairfield Baptist Church at probably the age of eight and you have grown into a fine young man. You always have a smile and a hello for everyone! I'll be praying for your move and that you will find a church and make new friends! God Bless you and your family! 🙏🙏

“ Grandma,  
You will be missed. You have always meant a lot to me. I was a turd when I was little. Graham I love you so much and it hurts that your gone but at the same time I bet your up there dancing and running Heaven with God. You are a tough one and I hate to have to say goodbye like I didn't want to lose you just yet. I have your bracelet now and it reminds me of you and how I need to keep going. You were this and you were tough so this bracelet reminds me to keep going and push through. I love you lots and you will be greatly missed. ❤️
