“ I will forever cherish the time I had with Tommy at Manheim Cincinnati. Each week Tommy and Bill would stop by my office, we would exchange hugs and talk about Ohio State. He was such a charismatic guy, always a smile and a kind word. Tommy and Bill were one of the first drivers to embrace me when I came to Cincinnati. They made me feel welcomed from day one. There are no words that can provide comfort to his family and friends, only time will ease the pain but life will always be different. I will keep everyone in my thoughts and prayers.
