“ Mike Snyder here, I am a distant cousin to Tim, Lizzie, and Tonya and I send my sincere condolences to his wife, children, and many friends and colleagues. I am related to Tim's family through the McIntire clan and I am pleased to say they were the best people. Every member of Tim's family is/was decent and hard working, the kind of people you'd want to have as neighbors. May the memory of this good man give comfort to all those who knew and loved him.

“ *My dad is a good man who loved my mom and his family above all. One of the hardest working people I've ever met taught me a lot of values about life. He was always there for me when nobody else was. He helped me through some of the most trouble times in my life. he was always there to help when I needed it. we had our ups and downs like anyone else, but it never stopped us from being family. He is going to be missed very much. I don't even think he knows how much he meant to me.*
