“ Dear Patty,

*So sadden to hear the news on Tony. Tony and you have been such dear friends over many many years with my mom and dad, Linda and Joe Appelgate. I personally came to know you and Tony since... I will always cherish those very special times we shared a wine (or two) along with a good cheese tray. My mom always loved to bring out more just in case.*

*I am so happy that I did see Tony every day on my brief trip in November ! We shared the usual smiles and chatting by the card table. Yes, it was 19 months that I did not get down there...ggrrrr...that COVID thing. All great, however I did miss you out by the "pool".*

*Patty, I am sure Tony is up in the Heavens with Linda and Joe...having a wine (or two) along with a good cheese tray. And this time around, they are without pain and resting in peace at the Lord's Table.*

*God Bless You and Your Family, My Prayers and Thoughts Are With You !*

*Jeff and Genny Appelgate Seattle Washington 12/23/2021*

*I will leave my TREE on this week for Tony....*
