

## Vicki D. Brunner

April 12, 1949 - December 17, 2022

Vicki (Grimm) Brunner passed away peacefully, in the arms of Jesus, at home on December 17, 2022, after a brave battle with cancer. Due to the power of prayer, her family was able to have twelve years of cherished memories and experiences after her original diagnosis. Vicki had a stellar career in education as a classroom teacher, reading specialist, language arts supervisor, and was a mentor to many teachers within the Hamilton City School District. She was a member of Chapter BR of PEO, Trouveres, Junior Women's League, and an active lifetime member of The Presbyterian Church of Hamilton. Vicki will be remembered for her spirit, her fabulous pies, special cookies, and for her beautiful smile. Her heart was big, as was the circle of people who will miss her. Affectionately remembered by her husband Bill whose love in high school grew into a 51 year loving partnership. Being the youngest of four girls, she will be missed by her sisters Gerry Hammond, Marcia Wehr, and Kay Stanish. She will be mourned by her children Kelly Vaughan, Carey Kahle, and Will Brunner as well as her sons-in-law Dan Vaughan and Freddy Kahle; and her daughter-in-law Whitney Brunner; and her grandchildren Tyler and Drew Vaughan, Trey and Blake Kahle, and Wylie and William Brunner. In her death, she will be reunited with her mother and father, Odetta and Jim Grimm. A Celebration of Life will be held at 11:00 AM at The Presbyterian Church of Hamilton on Saturday, January 7, 2023. The family will receive friends after the service in the mix and mingle room. In lieu of flowers, donations and remembrances can be made in Vicki's honor to The Presbyterian Church of

“ *Vicki was a truly special neighbor and friend to me and my young family on Sandalwood Terrace. I felt a bond with her that I know stemmed from her love for God and children. My children trampled and played in her and Bill's yard daily, and she often came out to chat with us or, bring us goodies. Being new to Hamilton, she welcomed me and brought me to my first Junior league women's meeting. Vicki, thank you for your kindness and mentorship! I will always remember you. Leslie Logan*

“ Vicki, Suzanne Boell and I became blood sisters when we were around 9 yrs old. we did not want to cut ourselves so we took ketchup, put on each other's arm and licked each other's ketchup on the arms and buried a prized possession in my back yard. We were always blood sisters.

*Rest in peace my blood sister.*

*Vicki and I were friends since third grade and we shared many activities and memories. Even though I didn't see her often after high school I looked forward to our visits whenever I came back to Hamilton. I will miss her smile and sense of humor and will continue to cherish my memories of her. My sympathy and prayers for healing for your loss.*

*I only met Vicki when we went to Taft. Like many high school cultures, ours had the 'cliques' and the 'groups' and there was a lot of snubbing of girls not in one's direct orbit. I was not one of the 'popular girls' and didn't really fit in with any particular group of girls. On top of that, I was one of the Harding folks and lost a lot of my buddies on the other side of the river. I was pretty coldly ignored by a lot of classmates, especially the ones who went to Wilson, but I do remember Vicki was so sweet and inclusive. She had time and kind words no matter who you were. I left Hamilton right after HS and so lost those connections, but I remember this kindness and it has stayed with me for all my life. The world needs more people like this and I am sure she will be greatly missed by her family and close friends.*

*I'm so sorry to see this. Vicki was such an amazing and positive person. She beat this damn thing for 12 years, & I can only imagine what it was like going through what she had to, and yet, she was always smiling, & always had such an uplifting attitude. It all seems so unfair! My mom & dad and your family have had some good times together which I'll always remember. My thoughts are with Bill, Kelly, Carey and William, and the rest of the family. You went away far too soon Vicki.*
