“ Vickie & Gill family we were surprised and saddened to hear of Ginny's passing. Many memories, as Ginny's friend, from grade school to after graduation. Neighborhood hide & seek, school playground four square, playing pitch and playing records in her parents basement, her patents ice cream parlor and so much more. We drifted apart but she will be in our hearts. Remember the good and happy memories to ease the pain. She made many with many people.

“ So very sorry to hear of your loss, Vicki. We just heard the news and so shocked. Also read about the loss of your husband, and sorry for your loss as well. Hadnt seen Ginny for awhile, as would wave hello when in town visiting my mother...but mom came to live with me and passed away last year; and then this past winter, I lost my sister too. We are living in IN June to fall and then head to FLA where we reside with the other girls, Donna, Colleen and Shirley. So many many wonderful memories we all shared together growing up and even the later years....time just slips by us too fast. Please convey our condolences to John and family and hoping you are doing ok.. Prayers. Judy (Tanner) Clifford
