“ I have known Sis my entire life & there are so so many memories, unfortunately 90% of them are not appropriate for public viewing. 🙏. Like fine wine, Sis just got sweeter with age. Sis, thanks for blazing a trail for the rest of us woodchucks & we'll see you under the big tree on the other side.

“ When we were kids, all the neighborhood kids would play base ball in the field, we had the best time ever (she batted left handed.) Afterwards we would climb the mulberry tree and eat berries till our teeth were purple or our bellies hurt . May you Rest in Peace Sis. Always in my heart, You will be missed for sure..Love you!!!!
